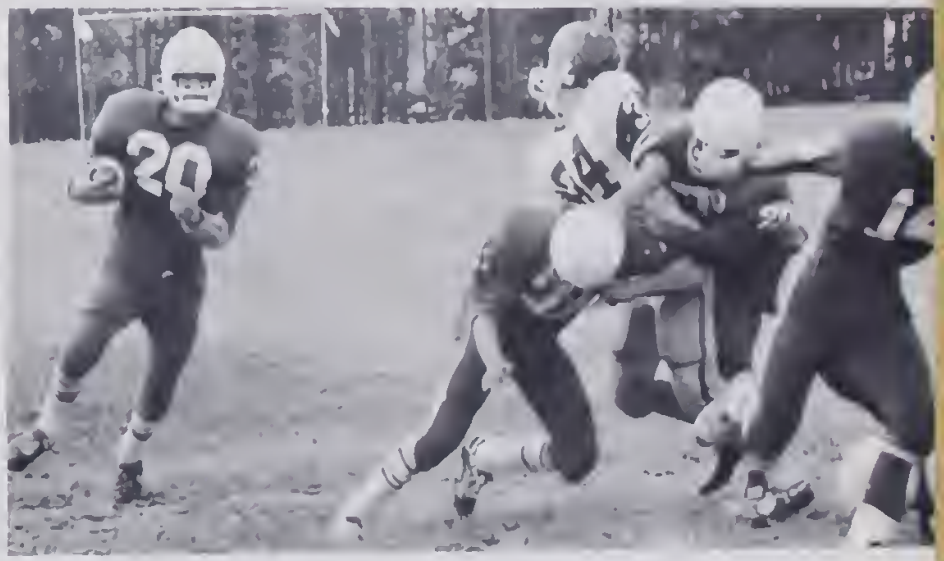
TERRY BECKER, Half Back, AND COMPANIONS

The static back from Handley falls behind speedster McNab.

"This thing won't make any noise."

Out of the ten games played this year, the Mustangs were victorious in all. Our strong line, fast backfield, and many receivers for those yard gaining aerials posed many problems for would-be victors.

Our outstanding stamina and versatile linemen enabled us to walk away with the Northwestern 1-B Championship.



No. 34 gets the squeeze.

MUSTANGS END 10-0-0

"No! No! Please Fellers!"

"That's a low blow."

No. 35 presents himself as a formidable obstacle.

Hull makes a break and heads for six.

Falls Church is pushed for a loss.

The line opens a hole for McNab.

This looks like a rumble.

This is what we do on Saturdays.

"Two bits, four bits, what am I bid?"

The members of the Jr. Tonsil Waggers Club were out to improve the support of the Jr. Varsity teams this year.

They made posters, wore their uniforms, and screamed "YELL" to the students as they increased their support of the J.V. teams.

Dominated by a five foot nine inch statue of Venus de Milo, occasionally decorated with lipstick and a bedraggled silk neckerchief at dress rehearsals, the stage was set for the opening of Stardust on November 30.

That night Stardust played to standing-room only, and, despite the near-beheading of one of its principal characters by a falling Roman spear, it was an immense success.

"We were great!" shouted an anonymous self-congratulator as he shed his toga backstage after the last curtain.

They were.

Ann Whiting and Tom Callanen made it regal.

Hey girl, this is so silly...

What can we say about the Georgetown Collegians!

Many yards plus many yards equals many dollars.

It was plain to all that the Junior Class really outdid themselves on the Christmas Dance - little do they know how much they outdid themselves ($30)! The attendance at the Alumni's "welcome home" party, staged in the balcony, far outnumbered the couples who managed to make their way through the gigantic wreath to the mistletoe in the center of the floor. Anne was crowned at ten and the mad rush for the door began at five minutes after ten. G.M. was well represented at Gusti's, The Shadows, and Bricks that night. Everyone still talks about the Junior's "WONDERLAND BY NIGHT"!

FREEDOM TO ASSEMBLE

If our assemblies
weren't always entertaining
or informative,
we all
had the pleasure
of knowing that we were
missing an hour of class.
Mr. Howell's choir,

Mr. Cosminsky's lectern,
and Mr. Condit's award
were the highlights
of this year's assemblies.

favorite -
they were the noisiest!

For the first time, the Girls' Chorus has had the advantage of a regularly scheduled period for instruction and practice.

Through appearances in several assemblies and concerts, the Girls' Chorus has shown the excellence attained through constant practice with Mr. Richard Howell, director.

With a repetoire which ranges from medieval carols to Bye Bye Birdie, the versatile Senior High Choir has become a favorite of G. M. concert-goers.

This year, as in the past, members of the choir have been chosen to the highly competitive All State Chorus.

Who knows where he will be in twenty-five years? Many of us may not even remember at that time just where we were in 1963. Certainly, we won't remember how we and our friends looked in 1963 unless we keep pictures. The yearbook does preserve our pictures and, more than that, it will be a vault of other memories. Now, however, it is a picture of our school seen through the eye of the camera, carefully and artistically directed by the yearbook staff.

The camera records for you different areas of our school: the classes, the organizations, the sports, and the social events. It shows to some, achievements; to others, possibilities. It is the present. To the staff this was tomorrow; the book is here.

The faculty and administration congratulate the staff and student body on a fine year, a fine yearbook, and wish for you many opportunities for service in the future.

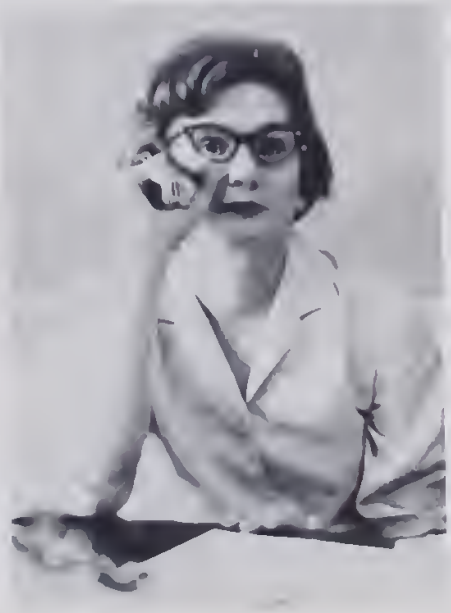
The Best From Britain

Here in the person of Miss Margaret Butler, we have a new and delightful teacher to enlighten the students of George Mason English classes.

Winning a Fullbright Award resulted in Miss Butler's acquiring a new outlook on education. She has enjoyed the informal attitude of students toward studies and teachers here.

Although she finds the extra-curricular life of students hectic, she has commented on the strong loyalty characteristics of Americans toward school teams.



Top left: No, Koelz, you've got it backwards!
Top right: Aw, you don't look hurt.
Bottom left: Are you really serious, John?
Bottom right: And they expect to win an award with this book.

Left: Pink's her best color.
Right: Don't ever say can't.
Far right: I never said that!
